Organic Dry Cleaning is Much Cleaner, Healthier & Environmentally Safe.

The solvent we use is the very first environmentally safe dry cleaning solvent. The new solvent, along with the world's best dry cleaning system, *Satec*, guarantees you the best quality dry cleaning. No more worries about bad odor and chemical residue on your garments. Much softer feel of your garments. Retains your garments' feel and color beautifully. *Guarantees Truly Clean Dry Cleaning.*

- Non-Toxic • Odorless • Renews Fabric
- Whiter Whites • Brighter Colors
- Safe For You & The Environment
